Pursuant to Los Angeles Municipal Code Section 66.40 *et seq.*, the City of Los Angeles (“City”) charges residents receiving City sanitation services a Solid Waste Collection, Transfer, Recycling Recovery of Waste Resources and Disposal Fee (“Solid Resource Fee” or “Fee”). The bimonthly charge for the Solid Resource Fee is a separate line item (called “Solid Resources Fee”) found on your Los Angeles Department of Water and Power bill under the page heading entitled “City of Los Angeles Municipal Services”. (The Fee billed may vary between billing cycles, depending on the length of the applicable billing cycle).

You should not be charged a Solid Resource Fee if you live in a multiple-family dwelling that does not currently receive Bureau of Sanitation refuse collection service from the City. If you do not know whether you receive refuse collection from the Bureau of Sanitation, or if you have any questions about the Solid Resource Fee, believe that you are entitled to an exemption for this Fee, and/or believe that you are being charged this Fee in error (or in an erroneous amount), please call the Bureau of Sanitation at 1-800-773-2489 (1-800-773-CITY); TTD (1-213-473-5663).
