DID YOU KNOW?

A six-pack of recycled aluminum cans saves enough energy to drive a car 5 miles!

The energy saved from recycling one aluminum can could operate a computer or TV for 3 hours!

Recycling one glass bottle saves enough to power a 400-watt light bulb for 4 hours!

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities.
