THINGS TO KNOW ABOUT

recycLA

COMPLETE YOUR WASTE ASSESSMENT

Your new recycLA service provider will be reaching out to you to see what services will work best for your apartment or business. If you have not received the assessment, please call **1-800-773-2489**.

FAIR AND TRANSPARENT RATES

RecycLA guarantees standardized and transparent rates with yearly caps for all customers. If you want to see them, visit **recycLA.com**.

REDUCE WASTE, RECYCLE MORE

RecycLA ensures that all residents and businesses in LA have access to recycling. You can reduce waste, recycle more and lower your bill.

24 HOUR CUSTOMER SERVICE

If you have any questions or issues with your recycLA service provider, rates or any other questions regarding recycLA, please call **1-800-773-2489**.

TRANSITION PROCESS

Each month, a limited number of accounts will transition into the new system. During this time, recycLA service providers will be going zone by zone to provide new recycling bins and conducting waste assessments. Visit **recycLA.com** to see which zone you are in.
