

SEWERS6 Project

8th Street (400C) – Hill Street to Olive Street

NOTICE OF UPCOMING CONSTRUCTION ACTIVITY

Background

LA Sanitation & Environment is rehabilitating an existing sewer line in your area. The City's sewer system requires regular maintenance, which may include cleaning, repair, rehabilitation, and replacement. These sewers are important because they carry wastewater to the Hyperion Water Reclamation Plant in Playa del Rey. This project will increase reliability of the sewer system and protect the environment for decades to come.

Summary

As part of the sewer line construction, activities will occur on 8th Street between Hill Street and Olive Street for approximately 400'. Construction activities will include:

- Set-up and implementation of traffic control (one day only Saturday work August 24, 2019)
- Asphalt demolition
- Excavation
- Open-cut trenching
- Pipeline rehabilitation and installation
- Construction of three new maintenance holes
- Restoration of construction work areas
