At all events, we'll have discounted compost bins for sale (\$20 each). TOPGRO Premium Soil Amendment and TOPGRO Mulch will be available for sale at Lopez Canyon only for \$2 per bag. Checks only please; all sales are final. Free mulch is available as well at both locations—please bring your own container and shovel. Proof of City of Los Angeles residence is required for discounted sales but all are welcome to attend the workshops.

NEW! LA Sanitation is now offering free home delivery of mulch! Choose from a load size of 2.5 yards or 5 yards. The driver does not have shovels or other equipment, so please be prepared to move the mulch around your property yourself. Residents must sign a waiver prior to delivery and must be home to accept delivery. Each address is limited to a maximum of two free mulch deliveries per calendar year, and mulch may not be used for commercial or industrial purposes.
