	AWARD CRITERIA
1	These categories are intended to help applicants demonstrate the benefits of their projects. They are <i>not</i> intended to exclude projects that may not fit exactly into one of the criteria. If your project fits one or more of the criteria, explain how. If your project does not fit neatly into one of the criteria, choose the criteria closest to your project and describe what benefits result from your project. It is not necessary to repeat information here that is already included in the project description. Hint:: Focus on the benefits of your project.
	Improving Customer Service (ie. Responsiveness to the customer; timeliness of service; availability to the customer; improved turn-around time; services performed beyond the call of duty; increased office morale.)
	• Saving Money (i.e. increased revenue and/or cost savings; sustainable vs. one time savings; cost avoidance; applicable to other Departments):
